

FACULTY SENATE RESOLUTION 88-11

WHEREAS the various degree granting colleges require a minimum grade point average of 2.0 for admission, and

WHEREAS the University requires a minimum grade-point average of 2.0 for graduation, and

WHEREAS the current senior college provision of allowing a student's average to fall as many as ten quality points below 2.0 without being placed on academic probation is inconsistent with these requirements, and

WHEREAS the current regulation is confusing to students in that it creates a false sense of well being;

THEREFORE BE IT RESOLVED that a student in a senior college whose grade point average on all LSU work attempted is below 2.0 at the end of a regular semester will be placed on scholastic probation, beginning with the fall semester of 1990.
